

This Week @

10-20-24

Today we talked about:

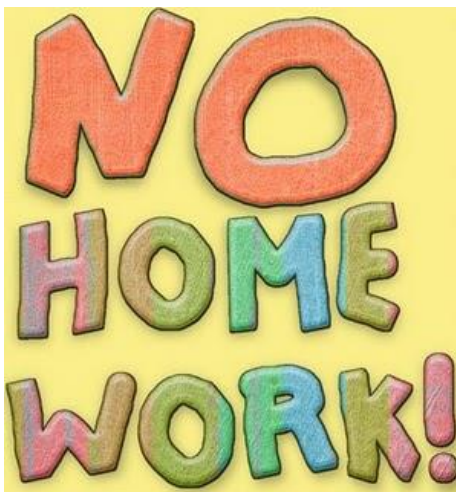

Sukkot and Simchat Torah!

We got together with the fourth graders and made paper chains for the sukkah. On the links, we included names, drawings, and heartfelt messages for individuals in or near Israel who could benefit from our prayers for peace. While in the sukkah, we learned about Sukkot and enjoyed a snack.

We gathered with the whole school for a Simchat Torah celebration!
